July 15, 2004

Sir:

Appreciation is expressed to Examiner Sarkar for his courtesy and helpfulness during a telephone interview conducted on July 14, 2004.

During the course of the telephone interview, the amended claims submitted with the June 17, 2004 Amendment were discussed. Based upon Examiner Sarkar's review of the claims, he indicated that the application was now in condition for allowance except for an informality noted in claim 23. Specifically, Examiner Sarkar noted that the term "second electrically insulating" should be changed to "second electrically insulating layer" to provide proper antecedent basis with terminology used earlier in the claim. Accordingly, the undersigned attorney authorized the correction of claim 23 to implement this change. Examiner Sarkar indicated that he would proceed

to correct this by way of an Examiner's amendment. Applicants and the undersigned attorney greatly appreciate the Examiner's courtesy and helpfulness in this regard.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.
